

## LIST NO. 11

### TRIANG BOXED LOCOMOTIVES AND BOXED SETS

(List updated 2.9.09)  
(Web Page updated 2.9.09)  
(Next No. 1237)

The Locomotives listed below are undamaged and in good working condition. In some cases the original boxes are not available and these are being offered for sale with replacement boxes. If a replacement box is required, please mention this and the cost of the box (£2-50, £2-25 or £2 depending on size) will be added to the cost of the Locomotive. The asterisk adjacent to the price indicates those Locomotives in replacement boxes. Prior to careful packing and posting each Locomotive will be retested. An indication of the paperwork included will be given below. Please note that items which have two and three digit Catalogue numbers will be shown on this list with "0" or "00" digits inserted between the prefix letter and the other digits to ensure correct sequential numbering. All Locomotives will qualify for the discounts set out in the covering letter. The word TRIANG, of course, includes TRIANG-HORNBY items.

**NB FOR A LIMITED PERIOD A 'BOGOF' OFFER IS BEING MADE. BUY ONE – GET ONE FREE. (THE CHEAPEST ONE IS THE FREE ONE!)**
