HORNBY - SKALEDALE

(List updated 23.11.09)
(Web Page updated 23.11.09)

Hornby introduced the Skaledale range of Buildings and accessories in 2003 and the following list collates the items which have been produced since the inception of the range.

The latest catalogue prices are shown and the years when last they were in the catalogues.

The list shows the number of items in the Mailrail stock. Unless shown with an asterisk all are preowned but in excellent condition. In a few instances where names of items have been amended in later catalogues the first names for those items have been shown.

Skaleautos, Circus Vehicles, Skaledale Lighting and Skaledale Scenics have not been included. All items held are unboxed unless otherwise indicated by a B in the number held column
