ORDER FORM

It would be appreciated if you could use this form to order the items you require. The unit cost to insert is the cost AFTER applying any price concessions but before applying any overall price adjustments (see preamble on each list) and/or discount to the final total cost. Please remember to add say £5 to £7 to cover postage costs. Any over provision by way of Cheques, Postal Orders or Cash will be refunded, of course, and refunds will be made in the unfortunate event that items are no longer in stock.
